This map was compiled from U.S. Geological
Survey maps and aerial photography from
1990. The Florida Department of Transportation
has been provided with a copy of this map.
This map was compiled using interactive
computer graphic techniques.
This map was prepared on the Lambert
conformal conic projection. North arrow and
scale are shown.
Local road alignments in Delimited Areas and
Residential Areas Under Development are not
indicated.
In congested rural areas local roads are
indicated by a single line only or details refer to
sets prepared for this county.
No attempt has been made to show all drainage
canals and ditches.
City populations are taken from the U.S. Census
for 1990. The population of Okaloosa County
was 157,776. There are 344 square miles in
the county.
