

Physician Primary Care Rate Increase Fee Schedule  
Effective: January 1, 2013

The fees on this schedule are in accordance with Section 1202 of the Patient Protection and Affordable Care Act (ACA) Primary Care Rate Increase for eligible primary care physicians. For eligibility information, please visit the Florida Medicaid fiscal agent web portal at <http://www.mymedicaid-florida.com/>. (Click on "Public Information for Providers," then "Home.")

For procedure codes 90460, 90471 and 90472, the fees represent the amount that would equal the Medicare rate when added to the vaccine product codes. Providers must bill both the vaccine product code and the administration code to receive the full reimbursement amount according to the Primary Care Rate Increase provided by the Affordable Care Act.
