This is to notify you that all rules of the Department, including the inmate discipline rules located in Chapter 33-601 and Rule 33-601.602, Community Release Programs, apply to you as an inmate in the community release or furlough program. This is to further notify you that placement is a privilege, not a right and you may be removed from the community release or furlough program for any reason that the Department determines is in the best interest of the Department, the public or yourself.

This letter of notification supersedes any and all previous work release agreements.

The above notice has been read and explained to me, and I understand the conditions of my participation in the community release or furlough program.
