Under and by virtue of the authority vested in me as President of the United States by the Constitution and statutes of the United States, it is ordered as follows:

### Part I--Nondiscrimination in Government Employment

[Part I superseded by Executive Order 11478 of Aug. 8, 1969, 34 FR 12985, 3 CFR, 1966-1970 Comp., p. 803]

### Part II--Nondiscrimination in Employment by Government Contractors and Subcontractors

#### Subpart A--Duties of the Secretary of Labor

**Sec. 201.** The Secretary of Labor shall be responsible for the administration and enforcement of Parts II and III of this Order. The Secretary shall adopt such rules and regulations and issue such orders as are deemed necessary and appropriate to achieve the purposes of Parts II and III of this Order.

[Sec. 201 amended by Executive Order 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

#### Subpart B--Contractors' Agreements

**Sec. 202.** Except in contracts exempted in accordance with Section 204 of this Order, all Government contracting agencies shall include in every Government contract hereafter entered into the following provisions:

"During the performance of this contract, the contractor agrees as follows:

"(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

"(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

"(3) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under Section 202 of Executive Order No. 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

"(4) The contractor will comply with all provisions of Executive Order No. 11246 of Sept. 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

"(5) The contractor will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

"(6) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be cancelled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order No. 11246 of Sept. 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order No. 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

"(7) The contractor will include the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order No. 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: *Provided, however,* that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the contractor may request the United States to enter into such litigation to protect the interests of the United States."

[Sec. 202 amended by Executive Order 11375 of Oct. 13, 1967, 32 FR 14303, 3 CFR, 1966-1970 Comp., p. 684; Executive Order 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

**Sec. 203.** (a) Each contractor having a contract containing the provisions prescribed in Section 202 shall file, and shall cause each of his subcontractors to file, Compliance Reports with the contracting agency or the Secretary of Labor as may be directed. Compliance Reports shall be filed within such times and shall contain such information as to the practices, policies, programs, and employment policies, programs, and employment statistics of the contractor and each subcontractor, and shall be in such form, as the Secretary of Labor may prescribe.

(b) Bidders or prospective contractors or subcontractors may be required to state whether they have participated in any previous contract subject to the provisions of this Order, or any preceding similar Executive order, and in that event to submit, on behalf of themselves and their proposed subcontractors, Compliance Reports prior to or as an initial part of their bid or negotiation of a contract.

(c) Whenever the contractor or subcontractor has a collective bargaining agreement or other contract or understanding with a labor union or an agency referring workers or providing or supervising apprenticeship or training for such workers, the Compliance Report shall include such information as to such labor union's or agency's practices and policies affecting compliance as the Secretary of Labor may prescribe: *Provided,* That to the extent such information is within the exclusive possession of a labor union or an agency referring workers or providing or supervising apprenticeship or training and such labor union or agency shall refuse to furnish such information to the contractor, the contractor shall so certify to the Secretary of Labor as part of its Compliance Report and shall set forth what efforts he has made to obtain such information.

(d) The Secretary of Labor may direct that any bidder or prospective contractor or subcontractor shall submit, as part of his Compliance Report, a statement in writing, signed by an authorized officer or agent on behalf of any labor union or any agency referring workers or providing or supervising apprenticeship or other training, with which the bidder or prospective contractor deals, with supporting information, to the effect that the signer's practices and policies do not discriminate on the grounds of race, color, religion, sex or national origin, and that the signer either will affirmatively cooperate in the implementation of the policy and provisions of this order or that it consents and agrees that recruitment, employment, and the terms and conditions of employment under the proposed contract shall be in accordance with the purposes and provisions of the order. In the event that the union, or the agency shall refuse to execute such a statement, the Compliance Report shall so certify and set forth what efforts have been made to secure such a statement and such additional factual material as the Secretary of Labor may require.

[Sec. 203 amended by Executive Order 11375 of Oct. 13, 1967, 32 FR 14303, 3 CFR, 1966-1970 Comp., p. 684.; Executive Order 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

**Sec. 204.** The Secretary of Labor may, when he deems that special circumstances in the national interest so require, exempt a contracting agency from the requirement of including any or all of the provisions of Section 202 of this Order in any specific contract, subcontract, or purchase order. The Secretary of Labor may, by rule or regulation, also exempt certain classes of contracts, subcontracts, or purchase orders (1) whenever work is to be or has been performed outside the United States and no recruitment of workers within the limits of the United States is involved; (2) for standard commercial supplies or raw materials; (3) involving less than specified amounts of money or specified numbers of workers; or (4) to the extent that they involve subcontracts below a specified tier. The Secretary of Labor may also provide, by rule, regulation, or order, for the exemption of facilities of a contractor which are in all respects separate and distinct from activities of the contractor related to the performance of the contract: *Provided*, That such an exemption will not interfere with or impede the effectuation of the purposes of this Order: *And provided further*, That in the absence of such an exemption all facilities shall be covered by the provisions of this Order.

#### **Subpart C--Powers and Duties of the Secretary of Labor and the Contracting Agencies**

**Sec. 205.** The Secretary of Labor shall be responsible for securing compliance by all Government contractors and subcontractors with this Order and any implementing rules or regulations. All contracting agencies shall comply with the terms of this Order and any implementing rules, regulations, or orders of the Secretary of Labor. Contracting agencies shall cooperate with the Secretary of Labor and shall furnish such information and assistance as the Secretary may require.

[Sec. 205 amended by Executive Order 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

**Sec. 206.** (a) The Secretary of Labor may investigate the employment practices of any Government contractor or subcontractor to determine whether or not the contractual provisions specified in Section 202 of this Order have been violated. Such investigation shall be conducted in accordance with the procedures established by the Secretary of Labor.

(b) The Secretary of Labor may receive and investigate complaints by employees or prospective employees of a Government contractor or subcontractor which allege discrimination contrary to the contractual provisions specified in Section 202 of this Order.

[Sec. 206 amended by Executive Order 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

**Sec. 207.** The Secretary of Labor shall use his best efforts, directly and through interested Federal, State, and local agencies, contractors, and all other available instrumentalities to cause any labor union engaged in work under Government contracts or any agency referring workers or providing or supervising apprenticeship or training for or in the course of such work to cooperate in the implementation of the purposes of this Order. The Secretary of Labor shall, in appropriate cases, notify the Equal Employment Opportunity Commission, the Department of Justice, or other appropriate Federal agencies whenever it has reason to believe that the practices of any such labor organization or agency violate Title VI or Title VII of the Civil Rights Act of 1964 or other provision of Federal law.

[Sec. 207 amended by Executive Order 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

**Sec. 208.** (a) The Secretary of Labor, or any agency, officer, or employee in the executive branch of the Government designated by rule, regulation, or order of the Secretary, may hold such hearings, public or private, as the Secretary may deem advisable for compliance, enforcement, or educational purposes.

(b) The Secretary of Labor may hold, or cause to be held, hearings in accordance with Subsection (a) of this Section prior to imposing, ordering, or recommending the imposition of penalties and sanctions under this Order. No order for debarment of any contractor from further Government contracts under Section 209(a)(6) shall be made without affording the contractor an opportunity for a hearing.

#### **Subpart D--Sanctions and Penalties**

**Sec. 209.** (a) In accordance with such rules, regulations, or orders as the Secretary of Labor may issue or adopt, the Secretary may:

- (1) Publish, or cause to be published, the names of contractors or unions which it has concluded have complied or have failed to comply with the provisions of this Order or of the rules, regulations, and orders of the Secretary of Labor.
- (2) Recommend to the Department of Justice that, in cases in which there is substantial or material violation or the threat of substantial or material violation of the contractual provisions set forth in Section 202 of this Order, appropriate proceedings be brought to enforce those provisions, including the enjoining, within the limitations of applicable law, of organizations, individuals, or groups who prevent directly or indirectly, or seek to prevent directly or indirectly, compliance with the provisions of this Order.
- (3) Recommend to the Equal Employment Opportunity Commission or the Department of Justice that appropriate proceedings be instituted under Title VII of the Civil Rights Act of 1964.
- (4) Recommend to the Department of Justice that criminal proceedings be brought for the furnishing of false information to any contracting agency or to the Secretary of Labor as the case may be.
- (5) After consulting with the contracting agency, direct the contracting agency to cancel, terminate, suspend, or cause to be cancelled, terminated, or suspended, any contract, or any portion or portions thereof, for failure of the contractor or subcontractor to comply with equal employment opportunity provisions of the contract. Contracts may be cancelled, terminated, or suspended absolutely or continuance of contracts may be conditioned upon a program for future compliance approved by the Secretary of Labor.
- (6) Provide that any contracting agency shall refrain from entering into further contracts, or extensions or other modifications of existing contracts, with any noncomplying contractor, until such contractor has satisfied the Secretary of Labor that such contractor has established and will carry out personnel and employment policies in compliance with the provisions of this Order.

(b) Pursuant to rules and regulations prescribed by the Secretary of Labor, the Secretary shall make reasonable efforts, within a reasonable time limitation, to secure compliance with the contract provisions of this Order by methods of conference, conciliation, mediation, and persuasion before proceedings shall be instituted under subsection (a)(2) of this Section, or before a contract shall be cancelled or terminated in whole or in part under subsection (a)(5) of this Section.

[Sec. 209 amended by Executive Order 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

**Sec. 210.** Whenever the Secretary of Labor makes a determination under Section 209, the Secretary shall promptly notify the appropriate agency. The agency shall take the action directed by the Secretary and shall report the results of the action it has taken to the Secretary of Labor within such time as the Secretary shall specify. If the contracting agency fails to take the action directed within thirty days, the Secretary may take the action directly.

[Sec. 210 amended by Executive Order 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

**Sec. 211.** If the Secretary shall so direct, contracting agencies shall not enter into contracts with any bidder or prospective contractor unless the bidder or prospective contractor has satisfactorily complied with the provisions of this Order or submits a program for compliance acceptable to the Secretary of Labor.

[Sec. 211 amended by Executive Order 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

**Sec. 212.** When a contract has been cancelled or terminated under Section 209(a)(5) or a contractor has been debarred from further Government contracts under Section 209(a)(6) of this Order, because of noncompliance with the contract provisions specified in Section 202 of this Order, the Secretary of Labor shall promptly notify the Comptroller General of the United States.

[Sec. 212 amended by Executive Order 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

#### **Subpart E--Certificates of Merit**

**Sec. 213.** The Secretary of Labor may provide for issuance of a United States Government Certificate of Merit to employers or labor unions, or other agencies which are or may hereafter be engaged in work under Government contracts, if the Secretary is satisfied that the personnel and employment practices of the employer, or that the personnel, training, apprenticeship, membership, grievance and representation, upgrading, and other practices and policies of the labor union or other agency conform to the purposes and provisions of this Order.

**Sec. 214.** Any Certificate of Merit may at any time be suspended or revoked by the Secretary of Labor if the holder thereof, in the judgment of the Secretary, has failed to comply with the provisions of this Order.

**Sec. 215.** The Secretary of Labor may provide for the exemption of any employer, labor union, or other agency from any reporting requirements imposed under or pursuant to this Order if such employer, labor union, or other agency has been awarded a Certificate of Merit which has not been suspended or revoked.

### **Part III--Nondiscrimination Provisions in Federally Assisted Construction Contracts**

**Sec. 301.** Each executive department and agency which administers a program involving Federal financial assistance shall require as a condition for the approval of any grant, contract, loan, insurance, or guarantee thereunder, which may involve a construction contract, that the applicant for Federal assistance undertake and agree to incorporate, or cause to be incorporated, into all construction contracts paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to such grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the provisions prescribed for Government contracts by Section 202 of this Order or such modification thereof, preserving in substance the contractor's obligations thereunder, as may be approved by the Secretary of Labor, together with such additional provisions as the Secretary deems appropriate to establish and protect the interest of the United States in the enforcement of those obligations. Each such applicant shall also undertake and agree (1) to assist and cooperate actively with the Secretary of Labor in obtaining the compliance of contractors and subcontractors with those contract provisions and with the rules, regulations and relevant orders of the Secretary, (2) to obtain and to furnish to the Secretary of Labor such information as the Secretary may require for the supervision of such compliance, (3) to carry out sanctions and penalties for violation of such obligations imposed upon contractors and subcontractors by the Secretary of Labor pursuant to Part II, Subpart D, of this Order, and (4) to refrain from entering into any contract subject to this Order, or extension or other modification of such a contract with a contractor debarred from Government contracts under Part II, Subpart D, of this Order.

[Sec. 301 amended by Executive Order 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

**Sec. 302.** (a) "Construction contract" as used in this Order means any contract for the construction, rehabilitation, alteration, conversion, extension, or repair of buildings, highways, or other improvements to real property.

(b) The provisions of Part II of this Order shall apply to such construction contracts, and for purposes of such application the administering department or agency shall be considered the contracting agency referred to therein.

(c) The term "applicant" as used in this Order means an applicant for Federal assistance or, as determined by agency regulation, other program participant, with respect to whom an application for any grant, contract, loan, insurance, or guarantee is not finally acted upon prior to the effective date of this Part, and it includes such an applicant after he becomes a recipient of such Federal assistance.

**Sec. 303.** (a) The Secretary of Labor shall be responsible for obtaining the compliance of such applicants with their undertakings under this Order. Each administering department and agency is directed to cooperate with the Secretary of Labor and to furnish the Secretary such information and assistance as the Secretary may require in the performance of the Secretary's functions under this Order.

(b) In the event an applicant fails and refuses to comply with the applicant's undertakings pursuant to this Order, the Secretary of Labor may, after consulting with the administering department or agency,

take any or all of the following actions: (1) direct any administering department or agency to cancel, terminate, or suspend in whole or in part the agreement, contract or other arrangement with such applicant with respect to which the failure or refusal occurred; (2) direct any administering department or agency to refrain from extending any further assistance to the applicant under the program with respect to which the failure or refusal occurred until satisfactory assurance of future compliance has been received by the Secretary of Labor from such applicant; and (3) refer the case to the Department of Justice or the Equal Employment Opportunity Commission for appropriate law enforcement or other proceedings.

(c) In no case shall action be taken with respect to an applicant pursuant to clause (1) or (2) of subsection (b) without notice and opportunity for hearing.

[Sec. 303 amended by Executive Order 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

**Sec. 304.** Any executive department or agency which imposes by rule, regulation, or order requirements of nondiscrimination in employment, other than requirements imposed pursuant to this Order, may delegate to the Secretary of Labor by agreement such responsibilities with respect to compliance standards, reports, and procedures as would tend to bring the administration of such requirements into conformity with the administration of requirements imposed under this Order: *Provided*, That actions to effect compliance by recipients of Federal financial assistance with requirements imposed pursuant to Title VI of the Civil Rights Act of 1964 shall be taken in conformity with the procedures and limitations prescribed in Section 602 thereof and the regulations of the administering department or agency issued thereunder.

#### **Part IV--Miscellaneous**

**Sec. 401.** The Secretary of Labor may delegate to any officer, agency, or employee in the Executive branch of the Government, any function or duty of the Secretary under Parts II and III of this Order.

[Sec. 401 amended by Executive Order 12086 of Oct. 5, 1978, 43 FR 46501, 3 CFR, 1978 Comp., p. 230]

All records and property in the custody of the Committee shall be transferred to the Office of Personnel Management and the Secretary of Labor, as appropriate.

(b) Nothing in this Order shall be deemed to relieve any person of any obligation assumed or imposed under or pursuant to any Executive Order superseded by this Order. All rules, regulations, orders, instructions, designations, and other directives issued by the President's Committee on Equal Employment Opportunity and those issued by the heads of various departments or agencies under or pursuant to any of the Executive orders superseded by this Order, shall, to the extent that they are not inconsistent with this Order, remain in full force and effect unless and until revoked or superseded by appropriate authority. References in such directives to provisions of the superseded orders shall be deemed to be references to the comparable provisions of this Order.

[Sec. 403 amended by Executive Order 12107 of Dec. 28, 1978, 44 FR 1055, 3 CFR, 1978 Comp., p. 264]

The purpose of the regulations in this part is to achieve the aims of parts II, III, and IV of Executive Order 11246 for the promotion and insuring of equal opportunity for all persons, without regard to race, color, religion, sex, or national origin, employed or seeking employment with Government contractors or with contractors performing under federally assisted construction contracts. The regulations in this part apply to all contracting agencies of the Government and to contractors and subcontractors who perform under Government contracts, to the extent set forth in this part. The regulations in this part also apply to all agencies of the Government administering programs involving Federal financial assistance which may include a construction contract, and to all contractors and subcontractors performing under construction contracts which are related to any such programs. The procedures set forth in the regulations in this part govern all disputes relative to a contractor's compliance with his obligations under the equal opportunity clause regardless of whether or not his contract contains a "Disputes" clause. Failure of a contractor or applicant to comply with any provision of the regulations in this part shall be grounds for the imposition of any or all of the sanctions authorized by the order. The regulations in this part do not apply to any action taken to effect compliance with respect to employment practices subject to title VI of the Civil Rights Act of 1964. The rights and remedies of the Government hereunder are not exclusive and do not affect rights and remedies provided elsewhere by law, regulation, or contract; neither do the regulations limit the exercise by the Secretary or Government agencies of powers not herein specifically set forth, but granted to them by the order.

DEPARTMENT OF LABOR

PART 60-1\_OBLIGATIONS OF CONTRACTORS AND SUBCONTRACTORS--Table of Contents

Subpart A\_Preliminary Matters; Equal Opportunity Clause; Compliance Reports

Sec. 60-1.4 Equal opportunity clause.

(a) Government contracts. Except as otherwise provided, each contracting agency shall include the following equal opportunity clause contained in section 202 of the order in each of its Government contracts (and modifications thereof if not included in the original contract):

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be

[[Page 94]]

limited to the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.

(3) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(5) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(6) In the event of the contractor's non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(7) the contractor will include the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or

purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

(b) Federally assisted construction contracts. (1) Except as otherwise provided, each administering agency shall require the inclusion of the following language as a condition of any grant, contract, loan, insurance, or guarantee involving federally assisted construction which is not exempt from the requirements of the equal opportunity clause:

The applicant hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause:

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.

[[Page 95]]

(3) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(5) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(6) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(7) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, That in the event a contractor becomes involved in,

or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

(c) Subcontracts. Each nonexempt prime contractor or subcontractor shall include the equal opportunity clause in each of its nonexempt subcontracts.

(d) Incorporation by reference. The equal opportunity clause may be incorporated by reference in all Government contracts and subcontracts, including Government bills of lading, transportation requests, contracts for deposit of Government funds, and contracts for issuing and paying U.S. savings bonds and notes, and such other contracts

[[Page 96]]

and subcontracts as the Deputy Assistant Secretary may designate.

(e) Incorporation by operation of the order. By operation of the order, the equal opportunity clause shall be considered to be a part of every contract and subcontract required by the order and the regulations in this part to include such a clause whether or not it is physically incorporated in such contracts and whether or not the contract between the agency and the contractor is written.

(f) Adaptation of language. Such necessary changes in language may be made in the equal opportunity clause as shall be appropriate to identify properly the parties and their undertakings.

DEPARTMENT OF LABOR

PART 60-1\_OBLIGATIONS OF CONTRACTORS AND SUBCONTRACTORS--Table of Contents

Subpart A\_Preliminary Matters; Equal Opportunity Clause; Compliance Reports

Sec. 60-1.5 Exemptions.

(a) General--(1) Transactions of \$10,000 or under. Contracts and subcontracts not exceeding \$10,000, other than Government bills of lading, and other than contracts and subcontracts with depositories of Federal funds in any amount and with financial institutions which are issuing and paying agents for U.S. savings bonds and savings notes, are exempt from the requirements of the equal opportunity clause. In determining the applicability of this exemption to any federally assisted construction contract, or subcontract thereunder, the amount of such contract or subcontract rather than the amount of the Federal financial assistance shall govern. No agency, contractor, or subcontractor shall procure supplies or services in a manner so as to avoid applicability of the equal opportunity clause: Provided, that where a contractor has contracts or subcontracts with the Government in any 12-month period which have an aggregate total value (or can reasonably be expected to have an aggregate total value) exceeding \$10,000, the \$10,000 or under exemption does not apply, and the contracts are subject to the order and the regulations issued pursuant thereto regardless of whether any single contract exceeds \$10,000.

(2) Contracts and subcontracts for indefinite quantities. With respect to contracts and subcontracts for indefinite quantities (including, but not limited to, open end contracts, requirement-type contracts, Federal Supply Schedule contracts, ``call-type'' contracts, and purchase notice agreements), the equal opportunity clause shall be included unless the purchaser has reason to believe that the amount to be ordered in any year under such contract will not exceed \$10,000. The applicability of the equal opportunity clause shall be determined by the purchaser at the time of award for the first year, and annually thereafter for succeeding years, if any. Notwithstanding the above, the equal opportunity clause shall be applied to such contract whenever the amount of a single order exceeds \$10,000. Once the equal opportunity clause is determined to be applicable, the contract shall continue to be subject to such clause for its duration, regardless of the amounts ordered, or reasonably expected to be ordered in any year.

(3) Work outside the United States. Contracts and subcontracts are exempt from the requirements of the equal opportunity clause with regard to work performed outside the United States by employees who were not recruited within the United States.

(4) Contracts with State or local governments. The requirements of the equal opportunity clause in any contract or subcontract with a State or local government (or any agency, instrumentality or subdivision thereof) shall not be applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract or subcontract. In addition, any agency, instrumentality or subdivision of such government, except for educational institutions and medical facilities, are exempt from the requirements of filing the annual compliance report provided for by Sec. 60-1.7(a)(1) and maintaining a written affirmative action compliance program prescribed by Sec. 60-1.40 and Part 60-2 of this chapter.

(5) Contracts with religious entities. Section 202 of Executive Order 11246, as amended, shall not apply to a Government contractor or subcontractor that is a religious corporation, association, educational institution, or society,

[[Page 97]]

with respect to the employment of individuals of a particular religion to perform work connected with the carrying on by such corporation, association, educational institution, or society of its activities. Such contractors and subcontractors are not exempted or excused from

complying with the other requirements contained in this Order.

(6) Contracts with certain educational institutions. It shall not be a violation of the equal opportunity clause for a school, college, university, or other educational institution or institution of learning to hire and employ employees of a particular religion if such school, college, university, or other educational institution or institution of learning is, in whole or in substantial part, owned, supported, controlled, or managed by a particular religion or by a particular religious corporation, association, or society, or if the curriculum of such school, college, university, or other educational institution or institution of learning is directed toward the propagation of a particular religion. The primary thrust of this provision is directed at religiously oriented church-related colleges and universities and should be so interpreted.

(7) Work on or near Indian reservations. It shall not be a violation of the equal opportunity clause for a construction or nonconstruction contractor to extend a publicly announced preference in employment to Indians living on or near an Indian reservation in connection with employment opportunities on or near an Indian reservation. The use of the word "near" would include all that area where a person seeking employment could reasonably be expected to commute to and from in the course of a work day. Contractors or subcontractors extending such a preference shall not, however, discriminate among Indians on the basis of religion, sex, or tribal affiliation, and the use of such a preference shall not excuse a contractor from complying with the other requirements contained in this chapter.

(b) Specific contracts and facilities--(1) Specific contracts. The Deputy Assistant Secretary may exempt an agency or any person from requiring the inclusion of any or all of the equal opportunity clause in any specific contract or subcontract when he deems that special circumstances in the national interest so require. The Deputy Assistant Secretary may also exempt groups or categories of contracts or subcontracts of the same type where he finds it impracticable to act upon each request individually or where group exemptions will contribute to convenience in the administration of the order.

(2) Facilities not connected with contracts. The Deputy Assistant Secretary may exempt from the requirements of the equal opportunity clause any of a prime contractor's or subcontractor's facilities which he finds to be in all respects separate and distinct from activities of the prime contractor or subcontractor related to the performance of the contract or subcontract, provided that he also finds that such an exemption will not interfere with or impede the effectuation of the order.

(c) National security. Any requirement set forth in these regulations in this part shall not apply to any contract or subcontract whenever the head of an agency determines that such contract or subcontract is essential to the national security and that its award without complying with such requirement is necessary to the national security. Upon making such a determination, the head of the agency will notify the Deputy Assistant Secretary in writing within 30 days.

(d) Withdrawal of exemption. When any contract or subcontract is of a class exempted under this section, the Deputy Assistant Secretary may withdraw the exemption for a specific contract or subcontract or group of contracts or subcontracts when in his judgment such action is necessary or appropriate to achieve the purposes of the order. Such withdrawal shall not apply to contracts or subcontracts awarded prior to the withdrawal, except that in procurements entered into by formal advertising, or the various forms of restricted formal advertising, such withdrawal shall not apply unless the withdrawal is made more than 10 calendar days before the date set for the opening of the bids.

PART 60-1\_OBLIGATIONS OF CONTRACTORS AND SUBCONTRACTORS--Table of Contents

Subpart A\_Preliminary Matters; Equal Opportunity Clause; Compliance Reports

Sec. 60-1.7 Reports and other required information.

(a) Requirements for prime contractors and subcontractors. (1) Each prime contractor and subcontractor shall file annually, on or before the September 30, complete and accurate reports on Standard Form 100 (EEO-1) promulgated jointly by the Office of Federal Contract Compliance Programs, the Equal Employment Opportunity Commission and Plans for Progress or such form as may hereafter be promulgated in its place if such prime contractor or subcontractor (i) is not exempt from the provisions of these regulations in accordance with Sec. 60-1.5; (ii) has 50 or more employees; (iii) is a prime contractor or first tier subcontractor; and (iv) has a contract, subcontract or purchase order amounting to \$50,000 or more or serves as a depository of Government funds in any amount, or is a financial institution which is an issuing and paying agent for U.S. savings bonds and savings notes: Provided, That any subcontractor below the first tier which performs construction work at the site of construction shall be required to file such a report if it meets requirements of paragraphs (a)(1) (i), (ii), and (iv) of this section.

(2) Each person required by Sec. 60-1.7(a)(1) to submit reports shall file such a report with the contracting or administering agency within 30 days after the award to him of a contract or subcontract, unless such person has submitted such a report within 12 months preceding the date of the award. Subsequent reports shall be submitted annually in accordance with Sec. 60-1.7(a)(1), or at such other intervals as the Deputy Assistant Secretary may require. The Deputy Assistant Secretary may extend the time for filing any report.

(3) The Deputy Assistant Secretary or the applicant, on their own motions, may require a contractor to keep employment or other records and to furnish, in the form requested, within reasonable limits, such information as the Deputy Assistant Secretary or the applicant deems necessary for the administration of the order.

(4) Failure to file timely, complete and accurate reports as required constitutes noncompliance with the prime contractor's or subcontractor's obligations under the equal opportunity clause and is ground for the imposition by the Deputy Assistant Secretary, an applicant, prime contractor or subcontractor, of any sanctions as authorized by the order and the regulations in this part.

(b) Requirements for bidders or prospective contractors--(1) Certification of compliance with Part 60-2: Affirmative Action Programs. Each agency shall require each bidder or prospective prime contractor and proposed subcontractor, where appropriate, to state in the bid or in writing at the outset of negotiations for the contract: (i) Whether it has developed and has on file at each establishment affirmative action programs pursuant to Part 60-2 of this chapter; (ii) whether it has participated in any previous contract or subcontract subject to the equal opportunity clause; (iii) whether it has filed with the Joint Reporting Committee, the Deputy Assistant Secretary or the Equal Employment Opportunity Commission all reports due under the applicable filing requirements.

(2) Additional information. A bidder or prospective prime contractor or proposed subcontractor shall be required to submit such information as the Deputy Assistant Secretary requests prior to the award of the contract or subcontract. When a determination has been made to award the contract or subcontract to a specific contractor, such contractor shall be required, prior to award, or after the award, or both, to furnish such other information as the applicant or the Deputy Assistant Secretary requests.

(c) Use of reports. Reports filed pursuant to this section shall be used only in connection with the administration of the order, the Civil Rights Act of 1964, or in furtherance of the purposes of the order and said Act.

Sec. 60-1.8 Segregated facilities.

To comply with its obligations under the Order, a contractor must ensure that facilities provided for employees

[[Page 99]]

are provided in such a manner that segregation on the basis of race, color, religion, sex or national origin cannot result. The contractor may neither require such segregated use by written or oral policies nor tolerate such use by employee custom. The contractor's obligation extends further to ensuring that its employees are not assigned to perform their services at any location, under the contractor's control, where the facilities are segregated. This obligation extends to all contracts containing the equal opportunity clause regardless of the amount of the contract. The term ``facilities,'' as used in this section, means waiting rooms, work areas, restaurants and other eating areas, time clocks, restrooms, wash rooms, locker rooms, and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing provided for employees; Provided, That separate or single-user restrooms and necessary dressing or sleeping areas shall be provided to assure privacy between the sexes.

PART 60-1\_OBLIGATIONS OF CONTRACTORS AND SUBCONTRACTORS--Table of Contents

Subpart A\_Preliminary Matters; Equal Opportunity Clause; Compliance Reports

Sec. 60-1.9 Compliance by labor unions and by recruiting and training agencies.

(a) Whenever compliance with the equal opportunity clause may necessitate a revision of a collective bargaining agreement the labor union or unions which are parties to such an agreement shall be given an adequate opportunity to present their views to the Deputy Assistant Secretary.

(b) The Deputy Assistant Secretary shall use his best efforts, directly and through agencies, contractors, subcontractors, applicants, State and local officials, public and private agencies, and all other available instrumentalities, to cause any labor union, recruiting and training agency or other representative of workers who are or may be engaged in work under contracts and subcontracts to cooperate with, and to comply in the implementation of, the purposes of the order.

(c) In order to effectuate the purposes of paragraph (a) of this section, the Deputy Assistant Secretary may hold hearings, public or private, with respect to the practices and policies of any such labor union or recruiting and training agency.

(d) The Deputy Assistant Secretary may notify any Federal, State, or local agency of his conclusions and recommendations with respect to any such labor organization or recruiting and training agency which in his judgment has failed to cooperate with himself, agencies, prime contractors, subcontractors, or applicants in carrying out the purposes of the order. The Deputy Assistant Secretary also may notify the Equal Employment Opportunity Commission, the Department of Justice, or other appropriate Federal agencies whenever he has reason to believe that the practices of any such labor organization or agency violates title VII of the Civil Rights Act of 1964 or other provisions of Federal law.

Sec. 60-1.10 Foreign government practices.

Contractors shall not discriminate on the basis of race, color, religion, sex, or national origin when hiring or making employee assignments for work to be performed in the United States or abroad. Contractors are exempted from this obligation only when hiring persons outside the United States for work to be performed outside the United States (see 41 CFR 60-1.5(a)(3)). Therefore, a contractor hiring workers in the United States for either Federal or nonfederally connected work shall be in violation of Executive Order 11246, as amended, by refusing to employ or assign any person because of race, color, religion, sex, or national origin regardless of the policies of the country where the work is to be performed or for whom the work will be performed. Should any contractor be unable to acquire a visa of entry for any employee or potential employee to a country in which or with which it is doing business, and which refusal it believes is due to the race, color, religion, sex, or national origin of the employee or potential employee, the contractor must immediately notify the Department of State and the Deputy Assistant Secretary of such refusal.

Sec. 60-1.11 Payment or reimbursement of membership fees and other expenses to private clubs.

(a)(1) A contractor which maintains a policy or practice of paying membership fees or other expenses for employee participation in private clubs or organizations shall ensure that the policy or practice is administered without regard to the race, color, religion, sex, or national origin of employees.

(2) Payment or reimbursement by contractors of membership fees and other expenses for participation by their employees in a private club or organization which bars, restricts or limits its membership on the basis of race, color, sex, religion, or national origin constitutes a violation of Executive Order 11246 except where the contractor can provide evidence that such restrictions or limitations do not abridge the promotional opportunities, status, compensation or other terms and conditions of employment of those of its employees barred from membership because of their race, color, religion, sex, or national origin. OFCCP shall provide the contractor with the opportunity to present evidence in defense of its actions.

(b) The contractor has the responsibility of determining whether the club or organization restricts membership on the basis of race, color, religion, sex, or national origin. The contractor may make separate determinations for different chapters of an organization, and where it does so, may limit any necessary corrective action to the particular chapters which observe discriminatory membership policies and practices.

DEPARTMENT OF LABOR

PART 60-1\_OBLIGATIONS OF CONTRACTORS AND SUBCONTRACTORS--Table of Contents

Subpart A\_Preliminary Matters; Equal Opportunity Clause; Compliance Reports

Sec. 60-1.12 Record retention.

(a) General requirements. Any personnel or employment record made or kept by the contractor shall be preserved by the contractor for a period of not less than two years from the date of the making of the record or the personnel action involved, whichever occurs later. However, if the contractor has fewer than 150 employees or does not have a Government contract of at least \$150,000, the minimum record retention period shall be one year from the date of the making of the record or the personnel action involved, whichever occurs later. Such records include, but are not necessarily limited to, records pertaining to hiring, assignment, promotion, demotion, transfer, lay off or termination, rates of pay or other terms of compensation, and selection for training or apprenticeship, and other records having to do with requests for reasonable accommodation, the results of any physical examination, job advertisements and postings, applications and resumes, tests and test results, and interview notes. In the case of involuntary termination of an employee, the personnel records of the individual terminated shall be kept for a period of not less than two years from the date of the termination, except that contractors that have fewer than 150 employees or that do not have a Government contract of at least \$150,000 shall keep such records for a period of not less than one year from the date of the termination. Where the contractor has received notice that a complaint of discrimination has been filed, that a compliance evaluation has been initiated, or that an enforcement action has been commenced, the contractor shall preserve all personnel records relevant to the complaint, compliance evaluation or enforcement action until final disposition of the complaint, compliance evaluation or enforcement action. The term "personnel records relevant to the complaint," for example, would include personnel or employment records relating to the complainant and to all other employees holding positions similar to that held or sought by the complainant and application forms or test papers submitted by unsuccessful applicants and by all other candidates for the same position as that for which the complainant unsuccessfully applied. Where a compliance evaluation has been initiated, all personnel and employment records described above are relevant until OFCCP makes a final disposition of the evaluation.

(b) Affirmative action programs. A contractor establishment required under

[[Page 101]]

Sec. 60-1.40 to develop and maintain a written affirmative action program (AAP) must maintain its current AAP and documentation of good faith effort, and must preserve its AAP and documentation of good faith effort for the immediately preceding AAP year, unless it was not then covered by the AAP requirement.

(c) Contractor identification of record. (1) For any record the contractor maintains pursuant to this section, the contractor must be able to identify:

(i) The gender, race, and ethnicity of each employee; and  
(ii) where possible, the gender, race, and ethnicity of each applicant.

(2) The contractor must supply this information to the Office of Federal Contract Compliance Programs upon request.

(d) Failure to preserve records. Failure to preserve complete and accurate records as required by paragraphs (a) through (c) of this section constitutes noncompliance with the contractor's obligations under the Executive Order and this part. Where the contractor has destroyed or failed to preserve records as required by this section, there may be a presumption that the information destroyed or not preserved would have been unfavorable to the contractor: Provided, That

this presumption shall not apply where the contractor shows that the destruction or failure to preserve records results from the circumstances that are outside of the contractor's control.

(e) Applicability. The requirements of this section shall apply only to records made or kept on or after December 22, 1997.

TITLE 41--PUBLIC CONTRACTS AND PROPERTY MANAGEMENT

DEPARTMENT OF LABOR

PART 60-1\_OBLIGATIONS OF CONTRACTORS AND SUBCONTRACTORS--Table of Contents

Subpart B\_General Enforcement; Compliance Review and Complaint Procedure

Sec. 60-1.20 Compliance evaluations.

(a) OFCCP may conduct compliance evaluations to determine if the contractor maintains nondiscriminatory hiring and employment practices and is taking affirmative action to ensure that applicants are employed and that employees are placed, trained, upgraded, promoted, and otherwise treated during employment without regard to race, color, religion, sex, or national origin. A compliance evaluation may consist of any one or any combination of the following investigative procedures:

(1) Compliance review. A comprehensive analysis and evaluation of the hiring and employment practices of the contractor, the written affirmative action program, and the results of the affirmative action efforts undertaken by the contractor. A compliance review may proceed in three stages:

(i) A desk audit of the written AAP and supporting documentation to determine whether all elements required by the regulations in this part are included, whether the AAP meets agency standards of reasonableness, and whether the AAP and supporting documentation satisfy agency standards of acceptability. The desk audit is conducted at OFCCP offices, except in the case of preaward reviews. In a preaward review, the desk audit normally is conducted at the contractor's establishment.

(ii) An on-site review, conducted at the contractor's establishment to investigate unresolved problem areas identified in the AAP and supporting documentation during the desk audit, to verify that the contractor has implemented the AAP and has complied with those regulatory obligations not required to be included in the AAP, and to examine potential instances or issues of discrimination. An on-site review normally will involve an examination of the contractor's personnel and employment policies, inspection and copying of documents related to employment actions, and interviews with employees, supervisors, managers, hiring officials; and

(iii) Where necessary, an off-site analysis of information supplied by the contractor or otherwise gathered during or pursuant to the on-site review.

(2) Off-site review of records. An analysis and evaluation of the AAP (or any part thereof) and supporting documentation, and other documents related to the contractor's personnel policies and employment actions that may be relevant to a determination of whether the contractor has complied

[[Page 102]]

with the requirements of the Executive Order and regulations;

(3) Compliance check. A visit to the establishment to ascertain whether data and other information previously submitted by the contractor are complete and accurate; whether the contractor has maintained records consistent with Sec. 60-1.12; and/or whether the contractor has developed an AAP consistent with Sec. 60-1.40; or

(4) Focused review. An on-site review restricted to one or more components of the contractor's organization or one or more aspects of the contractor's employment practices.

(b) Where deficiencies are found to exist, reasonable efforts shall be made to secure compliance through conciliation and persuasion. Before the contractor can be found to be in compliance with the order, it must make a specific commitment, in writing, to correct any such deficiencies. The commitment must include the precise action to be taken and dates for completion. The time period allotted shall be no longer than the minimum period necessary to effect such changes. Upon approval of the commitment, the contractor may be considered in compliance, on condition that the commitments are faithfully kept. The contractor shall be notified that making such commitments does not preclude future determinations of noncompliance based on a finding that the commitments

are not sufficient to achieve compliance.

(c) [Reserved]

(d) Preaward compliance evaluations. Each agency shall include in the invitation for bids for each formally advertised nonconstruction contract or state at the outset of negotiations for each negotiated contract, that if the award, when let, should total \$10 million or more, the prospective contractor and its known first-tier subcontractors with subcontracts of \$10 million or more shall be subject to a compliance evaluation before the award of the contract unless OFCCP has conducted an evaluation and found them to be in compliance with the Order within the preceding 24 months. The awarding agency will notify OFCCP and request appropriate action and findings in accordance with this subsection. Within 15 days of the notice OFCCP will inform the awarding agency of its intention to conduct a preaward compliance evaluation. If OFCCP does not inform the awarding agency within that period of its intention to conduct a preaward compliance evaluation, clearance shall be presumed and the awarding agency is authorized to proceed with the award. If OFCCP informs the awarding agency of its intention to conduct a preaward compliance evaluation, OFCCP shall be allowed an additional 20 days after the date that it so informs the awarding agency to provide its conclusions. If OFCCP does not provide the awarding agency with its conclusions within that period, clearance shall be presumed and the awarding agency is authorized to proceed with the award.

(e) Submission of Documents; Standard Affirmative Action Formats. Each prime contractor or subcontractor with 50 or more employees and a contract of \$50,000 or more is required to develop a written affirmative action program for each of its establishments (Sec. 60-1.40). If a contractor fails to submit an affirmative action program and supporting documents, including the workforce analysis, within 30 days of a request, the enforcement procedures specified in Sec. 60-1.26(b) shall be applicable. Contractors may reach agreement with OFCCP on nationwide AAP formats or on frequency of updating statistics.

(f) Confidentiality and relevancy of information. If the contractor is concerned with the confidentiality of such information as lists of employee names, reasons for termination, or pay data, then alphabetic or numeric coding or the use of an index of pay and pay ranges, consistent with the ranges assigned to each job group, are acceptable for purposes of the compliance evaluation. The contractor must provide full access to all relevant data on-site as required by Sec. 60-1.43. Where necessary, the compliance officer may take information made available during the on-site evaluation off-site for further analysis. An off-site analysis should be conducted where issues have arisen concerning deficiencies or an apparent violation which, in the judgment of the compliance officer, should be more thoroughly analyzed off-site

[[Page 103]]

before a determination of compliance is made. The contractor must provide all data determined by the compliance officer to be necessary for off-site analysis. Such data may only be coded if the contractor makes the key to the code available to the compliance officer. If the contractor believes that particular information which is to be taken off-site is not relevant to compliance with the Executive Order, the contractor may request a ruling by the OFCCP District/Area Director. The OFCCP District/Area Director shall issue a ruling within 10 days. The contractor may appeal that ruling to the OFCCP Regional Director within 10 days. The Regional Director shall issue a final ruling within 10 days. Pending a final ruling, the information in question must be made available to the compliance officer off-site, but shall be considered a part of the investigatory file and subject to the provisions of paragraph (g) of this section. The agency shall take all necessary precautions to safeguard the confidentiality of such information until a final determination is made. Such information may not be copied by OFCCP and access to the information shall be limited to the compliance officer and personnel involved in the determination of relevancy. Data determined to be not relevant to the investigation will be returned to the contractor immediately.

(g) Public access to information. The disclosure of information obtained from a contractor will be evaluated pursuant to the public inspection and copying provisions of the Freedom of Information Act, 5 U.S.C. 552, and the Department of Labor's implementing regulations at 29 CFR Part 70.

[43 FR 49240, Oct. 20, 1978; 43 FR 51400, Nov. 3, 1978, as amended at 62 FR 44189, Aug. 19, 1997]

Effective Date Note: At 70 FR 36265, June 22, 2005, Sec. 60-1.20 paragraphs (a)(3) and (g) were revised, effective July 22, 2005. For the convenience of the user, the revised text is set forth as follows:

Sec. 60-1.20 Compliance evaluations.

(a) \* \* \*

(3) Compliance check. A determination of whether the contractor has maintained records consistent with Sec. 60-1.12; at the contractor's option the documents may be provided either on-site or off-site; or

\* \* \* \* \*

(g) Public Access to Information. OFCCP will treat information obtained in the compliance evaluation as confidential to the maximum extent the information is exempt from public disclosure under the Freedom of Information Act, 5 U.S.C. 552. It is the practice of OFCCP not to release data where the contractor is still in business, and the contractor indicates, and through the Department of Labor review process it is determined, that the data are confidential and sensitive and that the release of data would subject the contractor to commercial harm.

Subpart B\_General Enforcement; Compliance Review and Complaint Procedure

Sec. 60-1.24 Processing of matters.

(a) Complaints. OFCCP may refer appropriate complaints to the Equal Employment Opportunity Commission (EEOC) for processing under Title VII of the Civil Rights Act of 1964, as amended, rather than processing under E.O. 11246 and the regulations in this chapter. Upon referring complaints to the EEOC, OFCCP shall promptly notify complainant(s) and the contractor of such referral.

(b) Complaint investigations. In conducting complaint investigations, OFCCP shall, as a minimum, conduct a thorough evaluation of the allegations of the complaint and shall be responsible for developing a complete case record. The case record should contain the name, address, and telephone number of each person interviewed, the interview statements, copies, transcripts, or summaries (where appropriate) of pertinent documents, a reference to at least one covered contract, and a narrative report of the investigation with references to exhibits and other evidence which relate to the alleged violations.

(c)(1) [Reserved]

(2) If any complaint investigation or compliance review indicates a violation of the equal opportunity clause, the matter should be resolved by informal means whenever possible. Such informal means may include the holding of a compliance conference.

(3) Where any complaint investigation or compliance review indicates a violation of the equal opportunity clause and the matter has not been resolved by informal means, the Deputy Assistant Secretary shall proceed in accordance with Sec. 60-1.26.

(4) When a prime contractor or subcontractor, without a hearing, shall have complied with the recommendations or orders of the Deputy Assistant Secretary and believes such recommendations or orders to be erroneous, he shall, upon filing a request therefor within ten days of such compliance, be afforded an opportunity for a hearing and review of the alleged erroneous action.

(5) For reasonable cause shown, the Deputy Assistant Secretary may reconsider or cause to be reconsidered any matter on his/her own motion or pursuant to a request.

(d) Reports to the Deputy Assistant Secretary. (1) With the exception of complaints which have been referred to EEOC, within 60 days from receipt of a complaint or within such additional time as may be allowed by the Deputy Assistant Secretary for good cause shown, the complaint shall be processed and the case record developed containing the following information:

(i) Name and address of the complainant;

(ii) Brief summary of findings, including a statement regarding the contractor's compliance or noncompliance with the requirements of the equal opportunity clause;

(iii) A statement of the disposition of the case, including any corrective action taken and any sanctions or penalties imposed or, whenever appropriate, the recommended corrective action and sanctions or penalties.

(2) A written report of every preaward compliance review required by this regulation or otherwise required by the Deputy Assistant Secretary, shall be developed and maintained.

(3) A written report of every other compliance review or any other matter processed involving an apparent violation of the equal opportunity clause shall be made. Such report shall contain a brief summary of the findings, including a statement of conclusions regarding the contractor's compliance or noncompliance with the requirements of the order, and a statement of the disposition of the case, including any corrective action taken or recommended and any sanctions or penalties imposed or recommended.

Subpart B\_General Enforcement; Compliance Review and Complaint Procedure

Sec. 60-1.26 Enforcement proceedings.

(a) General. (1) Violations of the Order, the equal opportunity clause, the regulations in this chapter, or applicable construction industry equal employment opportunity requirements, may result in the institution of administrative or judicial enforcement proceedings. Violations may be found based upon, inter alia, any of the following:

- (i) The results of a complaint investigation;
- (ii) The results of a compliance evaluation;
- (iii) Analysis of an affirmative action program;
- (iv) The results of an on-site review of the contractor's compliance with the Order and its implementing regulations;
- (v) A contractor's refusal to submit an affirmative action program;
- (vi) A contractor's refusal to allow an on-site compliance evaluation to be conducted;
- (vii) A contractor's refusal to provide data for off-site review or analysis as required by the regulations in this chapter;
- (viii) A contractor's refusal to establish, maintain and supply records or other information as required by the regulations in this chapter or applicable construction industry requirements;
- (ix) A contractor's alteration or falsification of records and information required to be maintained by the regulations in this chapter; or
- (x) Any substantial or material violation or the threat of a substantial or material violation of the contractual provisions of the Order, or of the rules or regulations in this chapter.

(2) OFCCP may seek back pay and other make whole relief for victims of discrimination identified during a complaint investigation or compliance evaluation. Such individuals need not have filed a complaint as a prerequisite to OFCCP seeking such relief on their behalf. Interest on back pay shall be calculated from the date of the loss and compounded quarterly at the percentage rate established by the Internal Revenue Service for the under-payment of taxes.

(b) Administrative enforcement. (1) OFCCP may refer matters to the Solicitor of Labor with a recommendation for the institution of administrative enforcement proceedings, which may be brought to enjoin violations, to seek appropriate relief, and to impose appropriate sanctions. The referral may be made when violations have not been corrected in accordance with the conciliation procedures in this chapter, or when OFCCP determines that referral for consideration of formal enforcement (rather than settlement) is appropriate. However, if a contractor refuses to submit an affirmative action program, or refuses to supply records or other requested information, or refuses to allow OFCCP access to its premises for an on-site review, and if conciliation efforts under this chapter are unsuccessful, OFCCP may immediately refer the matter to the Solicitor, notwithstanding other requirements of this chapter.

(2) Administrative enforcement proceedings shall be conducted under the control and supervision of the Solicitor of Labor and under the Rules of Practice for Administrative Proceedings to Enforce Equal Opportunity under Executive Order 11246 contained in part 60-30 of this chapter and the Rules of Evidence set out in the Rules of Practice

[[Page 106]]

and Procedure for Administrative Hearings Before the Office of Administrative Law Judges contained in 29 CFR part 18, subpart B: Provided, That a Final Administrative Order shall be issued within one year from the date of the issuance of the recommended findings, conclusions and decision of the Administrative Law Judge, or the submission of any exceptions and responses to exceptions to such decision (if any), whichever is later.

(c) Referrals to the Department of Justice. (1) The Deputy Assistant

Secretary may refer matters to the Department of Justice with a recommendation for the institution of judicial enforcement proceedings. There are no procedural prerequisites to a referral to the Department of Justice. Such referrals may be accomplished without proceeding through the conciliation procedures in this chapter, and a referral may be made at any stage in the procedures under this chapter.

(2) Whenever a matter has been referred to the Department of Justice for consideration of judicial enforcement, the Attorney General may bring a civil action in the appropriate district court of the United States requesting a temporary restraining order, preliminary or permanent injunction (including relief against noncontractors, including labor unions, who seek to thwart the implementation of the Order and regulations), and an order for such additional sanctions or relief, including back pay, deemed necessary or appropriate to ensure the full enjoyment of the rights secured by the Order, or any of the above in this paragraph (c)(2).

(3) The Attorney General is authorized to conduct such investigation of the facts as he/she deem necessary or appropriate to carry out his/her responsibilities under the regulations in this chapter.

(4) Prior to the institution of any judicial proceedings, the Attorney General, on behalf of the Deputy Assistant Secretary, is authorized to make reasonable efforts to secure compliance with the contract provisions of the Order. The Attorney General may do so by providing the contractor and any other respondent with reasonable notice of his/her findings, his/her intent to file suit, and the actions he/she believes necessary to obtain compliance with the contract provisions of the Order without contested litigation, and by offering the contractor and any other respondent a reasonable opportunity for conference and conciliation, in an effort to obtain such compliance without contested litigation.

(5) As used in the regulations in this Part, the Attorney General shall mean the Attorney General, the Assistant Attorney General for Civil Rights, or any other person authorized by regulations or practice to act for the Attorney General with respect to the enforcement of equal employment opportunity laws, orders and regulations generally, or in a particular matter or case.

(6) The Deputy Assistant Secretary or his/her designee, and representatives of the Attorney General may consult from time to time to determine what investigations should be conducted to determine whether contractors or groups of contractors or other persons may be engaged in patterns or practices in violation of the Executive Order or these regulations, or of resistance to or interference with the full enjoyment of any of the rights secured by them, warranting judicial proceedings.

(d) Initiation of lawsuits by the Attorney General without referral from the Deputy Assistant Secretary. In addition to initiating lawsuits upon referral under this section, the Attorney General may, subject to approval by the Deputy Assistant Secretary, initiate independent investigations of contractors which he/she has reason to believe may be in violation of the Order or the rules and regulations issued pursuant thereto. If, upon completion of such an investigation, the Attorney General determines that the contractor has in fact violated the Order or the rules and regulations issued thereunder, he/she shall make reasonable efforts to secure compliance with the contract provisions of the Order. He/she may do so by providing the contractor and any other respondent with reasonable notice of the Department of Justice's findings, its intent to file suit, and the actions that the Attorney General believes are necessary to obtain compliance with the contract provisions of the Order

without contested litigation, and by offering the contractor and any other respondent a reasonable opportunity for conference and conciliation in an effort to obtain such compliance without contested litigation. If these efforts are unsuccessful, the Attorney General may, upon approval by the Deputy Assistant Secretary, bring a civil action in the appropriate district court of the United States requesting a temporary restraining order, preliminary or permanent injunction, and an order for such additional sanctions or equitable relief, including back pay, deemed necessary or appropriate to ensure the full enjoyment of the rights secured by the Order or any of the above in this paragraph (d).

(e) To the extent applicable, this section and part 60-30 of this chapter shall govern proceedings resulting from any Deputy Assistant Secretary's determinations under Sec. 60-2.2(b) of this chapter.

(1) A written notice shall be sent to the contractor setting forth the violations alleged and summarizing the supporting evidence.
