Educator Certification Renewal/Reinstatement Application

General Information for Renewal

If you are employed by a public school district in Florida, request a district application form for certificate renewal from your district office and submit the completed application to your employing school district. Each district school board shall renew state-issued professional certificates for individuals who hold a state-issued professional certificate and are employed by that district (§1012.585, F.S.)

If you are employed by a private school, or if you are not currently employed as an educator, go to www.fldoe.org/edcert to apply for renewal online, or you may complete this Application Form CG-10R and mail it to the Bureau of Educator Certification.

- Renewal requirements must be completed during the last validity period of the Professional Certificate and prior to expiration of the Professional Certificate. It is the responsibility of each applicant to obtain current information regarding renewal requirements from the employing school district, nonpublic school, or Bureau of Educator Certification.
- The application form and appropriate fee must be submitted during the last year of the validity period of the certificate and prior to the expiration of the Professional Certificate. However, the renewal application may be submitted after expiration of the Professional Certificate if the following criteria are met:
 - Appropriate renewal requirements are completed prior to expiration of the Professional Certificate, and
 - Renewal application form, appropriate application fee, and \$30.00 late fee, are submitted to the Bureau of Educator Certification prior to July 1 of the year following expiration of the certificate.
- A grade of at least "C" must be earned in each college course used for renewal. A grade of "pass" or "satisfactory" is an acceptable grade.
- In the event a subject is deleted from the certificate at the request of the certificate holder or due to non-completion of renewal requirements, all requirements which are in effect when an application is submitted to add the subject to the certificate again must be completed. If a subject is deleted which is no longer offered for certification in Florida, it cannot be restored to the Professional Certificate.
- College level credits used for certificate renewal must be completed at an accredited or approved college or university or the American Council on Education (ACE), and must be reflected on an official transcript.
