

POST ESTIMATE SEMI SEASONAL FRUIT PRICING VERIFICATION

[LETTER DATE]

[address: manager's name
[address: company]
[address: mailing address
[address: city, state, zip code

Enclosed are several documents summarizing the weekly data provided by your staff that includes only fruit contracted for after the USDA Crop Estimate. Please review these documents to verify the number of boxes and per pound solids prices recorded with the FDOC at your facility(s) for each of the categories of citrus. This price verification for each category should be effective as of your facility's normal closing day of the week associated with FDOC week ending dates. The total value for each category should match the values on this Verification Form. Please have these boxes and prices verified, then sign and date the document at "Authorized Manager's Signature", and return by mail to the FDOC headquarters at the address below or by email to stats@citrus.myflorida.com .
