STATE INSTRUCTIONAL MATERIALS REVIEWER

Back to List

- Material for Review ----

Course: United States Government (2106310)

Title: Copyright: Author: !

Grade Level: 9 - 12

Items for Electronic Review:

Select the link under Major Tool to electronically access the materials for evaluation. When necessary, additional directions for accessing the materials will be provided either on the website in which the materials are located or by the Florida Department of Education's Office of Instructional Materials,

Major Tools

- Written Correlations
- Special Instructions

Additional Documents

These documents will assist you in your evaluation of the materials.

- Written Correlations This document is prepared by the publisher to indicate where each specific benchmark (or course objectives for Advanced Placement courses) has been addressed in the materials.
- Specifications This document, prepared by the Florida Department of Education, specifies the requirements for instructional materials and will guide
 the evaluation for the
 - · Content area of review for state instructional materials reviewers and the
 - · Content, Learning, and Presentation areas of review for district reviewers.
- · Publisher Questionnaire This document has been prepared by the publisher to describe and identify the components of the program being bid.

Additional Information

- All instructional materials available through this website are copyrighted materials. Access is available for the sole purpose of reviewing the materials as part of the Florida instructional materials review process. Use of these materials for any other purpose is prohibited.
- All ratings and comments on this form are public record and subject to disclosure per Florida Sunshine laws.

Areas of Review

Below is the list of Areas of Review. Each of the Areas of Review have numerous questions specific to that Area. Click on an Area of Review to view and answer the questions. Each question must have a response in order to complete the Area. A checkmark (*) will appear next to the Area once all questions have been answered. When all Areas of Review are complete, the Recommendation link will become available. After a recommendation for or against the adoption of the materials has been made, the evaluation for those materials is complete.

Answer each item below and select the "Save" button to save your responses. You must select the "Save" button before going to another section or leaving this page to save the answers you have provided. If you are unable to complete the section, you may save your answers and come back to complete at a later time. All items must be answered for a section to be considered complete.

To answer each item, select the appropriate rating.

The ratings are as follows:

- · Excellent (Highest Rating)
- Good
- Fair
- Poor

Very Poor (Lowest Rating)

| Each item you are rating has a comments section for response. Comments are strongly encouraged to justify each rating. Comments supply valuable |
|---|
| feedback for publishers and school districts and should be provided whenever possible. Please use the Comments section to list any strengths, |
| weaknesses concerns issues and/or to provide examples supporting the rating |

STATE INSTRUCTIONAL MATERIALS REVIEWER

Back to List

Material for Review -

Course: United States Government (2106310)

Title

Copyright:

Author:

Grade Level: 9 - 12

Items for Electronic Review:

Select the link under Major Tool to electronically access the materials for evaluation. When necessary, additional directions for accessing the materials will be provided either on the website in which the materials are located or by the Florida Department of Education's Office of Instructional Materials.

Major Tools

- · Written Correlations
- · Special Instructions

Additional Documents

These documents will assist you in your evaluation of the materials.

- Written Correlations This document is prepared by the publisher to indicate where each specific benchmark (or course objectives for Advanced Placement courses) has been addressed in the materials.
- Specifications This document, prepared by the Florida Department of Education, specifies the requirements for instructional materials and will guide
 the evaluation for the
 - · Content area of review for state instructional materials reviewers and the
 - · Content, Learning, and Presentation areas of review for district reviewers.
- · Publisher Questionnaire This document has been prepared by the publisher to describe and identify the components of the program being bid.

Additional Information

- All instructional materials available through this website are copyrighted materials. Access is available for the sole purpose of reviewing the materials
 as part of the Florida instructional materials review process. Use of these materials for any other purpose is prohibited.
- · All ratings and comments on this form are public record and subject to disclosure per Florida Sunshine laws.

Areas of Review -

Below is the list of Areas of Review. Each of the Areas of Review have numerous questions specific to that Area. Click on an Area of Review to view and answer the questions. Each question must have a response in order to complete the Area. A checkmark (*) will appear next to the Area once all questions have been answered. When all Areas of Review are complete, the Recommendation link will become available. After a recommendation for or against the adoption of the materials has been made, the evaluation for those materials is complete.

STATE INSTRUCTIONAL MATERIALS REVIEWER Back to List

Material for Review

Course: United States Government (2106310)

Title:

Copyright.

Author:

Grade Level: 9 - 12

Items for Electronic Review:

Select the link under Major Tool to electronically access the materials for evaluation. When necessary, additional directions for accessing the materials will be provided either on the website in which the materials are located or by the Florida Department of Education's Office of Instructional Materials.

Major Tools

- Written Correlations
- · Special Instructions

Additional Documents

These documents will assist you in your evaluation of the materials.

- Written Correlations This document is prepared by the publisher to indicate where each specific benchmark (or course objectives for Advanced Placement courses) has been addressed in the materials.
- Specifications This document, prepared by the Florida Department of Education, specifies the requirements for instructional materials and will guide
 the evaluation for the
 - · Content area of review for state instructional materials reviewers and the
 - · Content, Learning, and Presentation areas of review for district reviewers.
- Publisher Questionnaire This document has been prepared by the publisher to describe and identify the components of the program being bid.

Additional Information

- All instructional materials available through this website are copyrighted materials. Access is available for the sole purpose of reviewing the materials
 as part of the Florida instructional materials review process. Use of these materials for any other purpose is prohibited.
- · All ratings and comments on this form are public record and subject to disclosure per Florida Sunshine laws.

Areas of Review

Below is the list of Areas of Review. Each of the Areas of Review have numerous questions specific to that Area. Click on an Area of Review to view and answer the questions. Each question must have a response in order to complete the Area. A checkmark (*) will appear next to the Area once all questions have been answered. When all Areas of Review are complete, the Recommendation link will become available. After a recommendation for or against the adoption of the materials has been made, the evaluation for those materials is complete.
