Sections 202.12 and 202.19, Florida Statutes, provide that self-accrual authority shall be granted to qualifying single legal entities. Qualifying entities will be issued a direct pay permit according to their particular qualifying circumstances. This authority is granted for only two distinct purposes, as described below. Direct pay permit holders may extend their permit in lieu of paying tax to their communications services provider.

Purposes and Use of Permits

1. Direct Pay Permit for Interstate Communications Services [ss. 202.12(3) and 202.19(8), F.S.]

Who qualifies? Purchasers of communications services where the majority of the communications services used by the entity are for communications that originate outside of Florida and terminate within the state. Qualified businesses will receive a *Communications Services Tax Direct Pay Permit* (Form DR-700031).

What can the direct pay permit be used for?

This direct pay permit allows the purchaser a partial exemption either from the state communications services tax **only**, or from **both** the state and the local communications services taxes on interstate communications services. The amount of state communications services tax to be paid shall not exceed \$100,000. The amount of the local communications services tax to be paid shall not exceed \$25,000 per service address. **Note:** Entities qualifying for this permit category will be required to report and remit the tax to the Department electronically.

2. Direct Pay Permit for Tax Due Upon Determination of Use [s. 202.27(6)(b), F.S.]

Who qualifies? Purchasers of communications services where the taxable status of sales of communications services will only be known upon use. Qualified businesses will receive a *Communications Services Tax Direct Pay Permit* (Form DR-700031).

What can the direct pay permit be used for?

The permit allows purchasers of communications services to accrue and remit taxes upon determination of the use of the services, rather than paying tax at the time of the purchase.

Instructions for Completing the Application

- ✓ Note the specific uses of the direct pay permit, if granted.
