

Florida Department of Health (Department) Business Establishment Renewal Application

(Active Status)

Expedite your application by applying online at <u>www.flhealthsource.gov</u>

Your license expires at midnight on the expiration date. Renewal notification postcards are mailed to the last known mailing address on record 90 days prior to the expiration date.

General Renewal Requirements:

- Must pay the biennial renewal fee and apply with a complete application, as defined by rule of the board, or the
 department if there is no board, to renew an active status license before the license expires.
- Must pay \$5.00 unlicensed activity fee as required in section 456.065(3), Florida Statutes (F.S.). Active duty
 members of the Armed Forces whose license is currently in a "military status" are not required to pay an
 unlicensed activity fee.
- Must submit your renewal application, any applicable fees, and any supplemental documentation to the
 Department of Health online at www.flhealthsource.gov or by US Mail to P.O. Box 6320, Tallahassee, Florida
 32314-6320. Applications mailed must be postmarked by midnight on the license expiration date.

Note: If you are renewing your license after the expiration date, you are required to pay the appropriate delinquency fee in addition to your renewal fees. Failure of a delinquent business establishment to renew the license within the 6 months after the expiration date of the license renders the license null without any further action by the board or the department.
